2. MAXIMUM WINNINGS

Horse Racing covered by a full SIS service (where all the selections are in races covered by a full service and where all those selections are advertised to run during course opening hours).

Event or Bet Type	Maximum Winnings
Horse Racing in Great Britain & Ireland (Win or Each Way)	£25,000
Forecast	£10,000
Tricast	£10,000
Sports Betting & Special Events (When applicable)	£10,000
Easy Six	£10,000
Fab Four	£5,000

3. NON RUNNERS/NON-PARTICIPANTS & VOID SELECTIONS

When a selection is made void or does not run, then in single bets the stake will be returned. In accumulative bets the stake will run on to the remaining selection(s) with a double becoming a single, a treble becoming a double and so on. Unless a specific reference is made in the individual section that covers the sport, abandoned or postponed events are void.

4. DEAD HEAT

In a DEAD HEAT the stake money on a selection is divided by the number of runners or competitors involved in the dead heat. The full odds are then paid to the divided stake, with the remainder of the stake money being lost.

5. RELATED CONTINGENCIES

Accumulative/multiple bets are not accepted where the outcome of one part of the bet contributes to the outcome of another. If taken in error the stakes will be equally divided where they clash and made into separate bets. However, where the related parts of the bet are resolved at different times, unless 'special double' or 'special accumulative' odds are available, bets will be settled as instructed with the odds for the second or subsequent legs being determined at each individual stage.

6. SPORTS GOVERNING BODIES

It is a condition of our acceptance of bets from you that, and by offering to place a bet with us, you represent that: a. You are not prohibited from entering into the bet by any term of your contract of employment or any rule of a Sports

Governing Body, which applies to you.

b. You are not aware of any circumstance which would make the placing of the bet a breach of a rule on betting applied by a Sports Governing Body.

c. Where the bet is placed on the outcome of a race, competition or other event or process or on the likelihood of anything occurring you do not know the outcome of the event.

d. In the event of any such representation by you proving to be false your stake will be forfeited and we shall not be obliged to pay any winnings which might otherwise have been payable in respect of the bet.

7. DATA SUPPLIED BY A THIRD PARTY

Please be aware that data such as current scores, time elapsed etc. that is displayed on our site or on our text screens is sourced from a 'live feed' provided by a third party and may be subject to time delay and/or be inaccurate. If you rely on this data to place bets, you do so entirely at your own risk and we accept no responsibility for any loss (direct or indirect) suffered by you as a result of your reliance on it.

8. TIME OF ACCEPTANCE

Bets are valid if accepted placed before the start of any race or event. Any bet found to have been placed after a race or event has started, will be void and all stakes returned. Where the official 'off' of a race or event is not announced bets are accepted up to the advertised start time. If betting in-play is available bets will stand and be settled at the current in-play price at the time the bet was struck. Where betting in-play is not available any bet that is inadvertently accepted after this time will be void, unless we are satisfied that the bet was placed before the actual start of the event.

BANGOR BET – HEADLINE RULES

BET ACCEPTANCE AND SETTLEMENT

Bets are accepted for horse race meetings held under the rules of racing as administered by the BHA and Irish Turf Club. Bets on horse racing are settled on the official result. All bets are deemed to be for races taking place on the day of acceptance unless you stipulate otherwise in your instructions. However, allowances will be made where racecards are printed in advance such as Sunday's racecards printed on a Saturday. All bets on UK and Irish horse racing are settled at 'racecourse price' returns. The racecourse price (RP) is calculated by taking the industry wide Starting Price, less a maximum 10% facility fee. On specific days, or individual races, this facility fee may vary. The RP is available at the 'off' of the race. Where no SP is returned, settlement of bets will be based on the final show of betting transmitted by SIS.

SALES POSITIONS

Bets will be accepted in all Bangor Bet sales positions on course and via a courier service (hand held operating machines) in restaurants, hospitality and corporate areas. All bets will be accepted, outlining the race or event, the stake, the time of the bet and the operator number/name. Bangor Bet operate a call-over system, where the customer has to advise of their selection(s) to the sales operator. The operator will then issue a ticket based on this information. It is the customer's responsibility to ensure that this information is correct and all tickets should be checked before the customer leaves the window to ensure any tickets can be rectified. Bets can be cancelled but only up to the start of the race/event and only before the customer leaves the window. Once the race/event has started, all bets will stand.

LATE WITHDRAWALS

a. Where a horse is withdrawn before coming under starter's orders, or is officially deemed by the starter to have taken no part in the race, stakes will be returned on the withdrawn horse and winning bets will be subject to deductions in accordance with Tattersalls' Rule 4. The rate of deduction will be based on the following scale:

Price of non runner at time of withdrawal	Amount deducted from winnings
1/9 or longer odds on	90p in the £
2/11 to 2/17	85p in the £
1/4 to 1/5	80p in the £
3/10 to 2/7	75p in the £
2/5 to 1/3	70p in the £
8/15 to 4/9	65p in the £
8/13 to 4/7	60p in the £
4/5 to 4/6	55p in the £
20/21 to 5/6	50p in the £
Evens to 6/5	45p in the £
5/4 to 6/4	40p in the £
13/8 to 7/4	35p in the £
15/8 to 9/4	30p in the £
5/2 to 3/1	25p in the £
10/3 to 4/1	20p in the £
9/2 to 11/2	15p in the £
6/1 to 9/1	10p in the £
10/1 to 14/1	5p in the £
Over 14/1	No deduction

b. In the event of two or more horses being withdrawn before coming under starter's orders, the total deductions shall not exceed 90p in £. Should a horse be withdrawn and a new market formed, then any bets laid at show prices prior to the new show will be subject to the above deductions. In the event of a further withdrawal after the market has been re-formed, bets placed at show prices in the original market will be subject to a further deduction based on the price of the withdrawn horse in the original market. Bets placed in the new market will be subject to a deduction based.

DOUBLE ENGAGEMENTS/IDENTICAL NAMES

Where you time a horse which is doubly engaged (entered for two races) it will be considered a bet for the race timed only. If the selection runs in the other race, it will be treated as a non runner.

RE-RUNS

In the event of a false start etc. resulting in a race being re-run, 'under orders' is negated and stakes will be refunded on horses taking no part in the re-run, with returns on the remaining runners subject to Tattersalls' Rule 4 (see Rule 2 for the scale of deduction). Each-way and place terms are governed by the number of runners taking part in the re-run.

ABANDONED, VOID HORSE RACES AND WALK-OVERS

ABANDONED, VOID RACES AND WALK-OVERS count as races but any horse so involved will be treated as a non

runner for settling purposes. If a race, other than ante post, is postponed to another day and overnight declarations stand, then bets stand, provided the venue is not altered.

EACH WAY BETTING

a. An each way bet consists of two stakes, one for the win part of the bet and one for the place part. If your selection finishes first both the win and place bet is successful. Bets are settled to win unless each way is clearly stated. The place part of each way bets on horse racing is settled as per the following place terms.

Runners	Non-handicaps	Handicaps
2-4	WIN ONLY	WIN ONLY
5-7	¼ odds, 1, 2	¼ odds, 1, 2
8-11	½ odds, 1, 2, 3	½ odds, 1, 2, 3
12-15	¾ odds, 1, 2, 3	¾ odds, 1, 2, 3
16 or more	1 odds, 1, 2, 3	1 odds, 1, 2, 3, 4

Where there are an insufficient number of finishers for the place terms advertised, only those runners officially placed will be treated as successful selections and bets on non-finishers will be lost.

b. For the purpose of calculation, each way doubles, trebles, etc. are settled as two distinct bets, i.e. win on to win and place on to place.

c. If you place a bet each way for a race or event that is win only, the total stake will be invested for a win.

d. Each way bets are accepted on unnamed favourites.

e. For settlement of each-way bets, the win element will be settled at racecourse price and the place element will be settled at either 1/4 or 1/5 of racecourse price as per the table above
