

## OWNERS CODE OF CONDUCT

Chester Racecourse is delighted to welcome back Owners to the track.

We have put in place stringent hygiene and social distancing measures to ensure your safety and that of our team. It is imperative that we maintain these high standards and we thank you in advance for your co-operation.

All Attendees who enter the Racecourse (including all surrounding land, car parks and other facilities which are under the ownership and/or control of the Operator) shall be deemed to have accepted, and agree to comply with, this Code of Conduct. Our resumption is dependent on this Code being strictly adhered to.

When attending you are acknowledging that you have taken all possible personal action to minimise the chances of contracting or transmitting Covid-19 and that you are in a state of health that will not put yourself or anybody else on the racecourse at risk.

To assist our team and to protect you and your fellow racegoers, we ask that you adhere to our Code of Conduct:

- Where possible, please travel to the racecourse in private transport **not** with a trainer or jockey. To travel together would result in neither being allowed entry.
- Observe all social distancing protocols at all times, whether inside or outside the racecourse.
- Face coverings **MUST** be worn, at all times whether inside or outside, except when eating or drinking.
- Please comply with any health checks that may be required on entering the racecourse.
- Be aware, your temperature may be taken on entry.
- Be aware that payments inside the ground for refreshments or betting are preferred to be by card.
- Regularly wash your hands, use hand sanitiser, and avoid touching your face and dispose of any used tissues appropriately.
- Do not remove hand sanitiser or other personal hygiene products from their locations.
- Do not congregate in specific areas of the racecourse (for example, along the rail adjacent to the paddock)
- Avoid face to face contact with other spectators and avoid hugs, high fives, and any contact with people not in your social bubble.
- Follow all signage and the instructions of staff, officials, or any emergency service personnel present at the racecourse.
- Do not try to access areas of the racecourse apart from the Amber Zone detailed on the plan in the racecard.
- Make sure other members of your group have read and understood these guidelines also. Thank you so much for your support and co-operation. Stay alert, stay safe and we look forward to seeing you soon.

Your behaviour is your responsibility. The above Code of Conduct will require co-operation from all in attendance and we ask that you remain aware of your surroundings and how your actions may affect yourself and others.

Any actions that put either yourself or others at risk will not be accepted by our team and you may be asked to leave the racecourse.

Thank you for your support and co-operation.
