HOSPITALITY

A memorable day from start to finish...

Everyone deserves a special treat. Race day dining in one of Chester Racecourse's many restaurants or private facilities is a fabulous way to spend your day. With an extensive range of private facilities and restaurants available from tables of two, up to chalets for over 500 people, it is the perfect opportunity to entertain clients, celebrate achievements with your team or enjoy a special occasion with family and friends.

Chester Racecourse is renowned for being a glamorous venue where style and fashion go hand in hand with the racing action. Our award winning chefs, mouth watering menus, extensive range of wines and Champagne, first class service and chic surroundings all combine to provide the Chester experience for which we are famed.

There are few more thrilling sights in British Racing than the horses thundering into the final furlong at Chester. With racing on the site dating back to 1539, Chester is the oldest racecourse in the world.

The perfect setting to host a corporate day at the races.

We offer Private Boxes in both the County and the Leverhulme Stands. Each Box provides spectacular views of the Final Furlong, Winning Post and the Paddock. All of the Private Boxes are decorated to the highest standard and provide exceptional facilities, each with a private balcony.

We can provide facilities and packages to meet your individual requirements; the smallest Box capacity is for 10 people and the largest for 120 people.

If you want your guests to literally feel the action as it's happening, then the Festival Chalets are the perfect option.

The chalets are located just back from the track within the final furlong, which means your guests are just a few steps away from the running rails as the horses come thundering past.

Take a break between races and simply stroll the short distance to listen to the live music serenading race goers in Chester Racecourse's exclusive Festival Village.
