# YOUR GUIDE TO STYLE

## *At Chester Racecourse*

A day at the races is the perfect opportunity to embrace summer style, and dress to impress. Whichever one of our enclosures you choose to book, we encourage our guests to dress for the special occasion and most importantly feel great in whatever you choose to wear.

In partnership with Cheshire Oaks Designer Outlet, our Style Guide aims to give you style inspiration that brings to life our a magical day at the world's oldest racecourse. Cheshire Oaks have selected a range of items, at accessible prices from the array of brands housed at their outlet. Each item has been carefully chosen, considering the latest fashion trends, the Chester Racecourse enclosures, and of course comfort on a race day.

The season kicks off with the prestigious Boodles May Festival on the 10<sup>th</sup>, 11<sup>th</sup> & 12<sup>th</sup> May. Each day brings thrilling action, but the fierce competition doesn't end on the track. Racegoers battle it out to be crowned as our 'best dressed' guest in our renowned style competition.

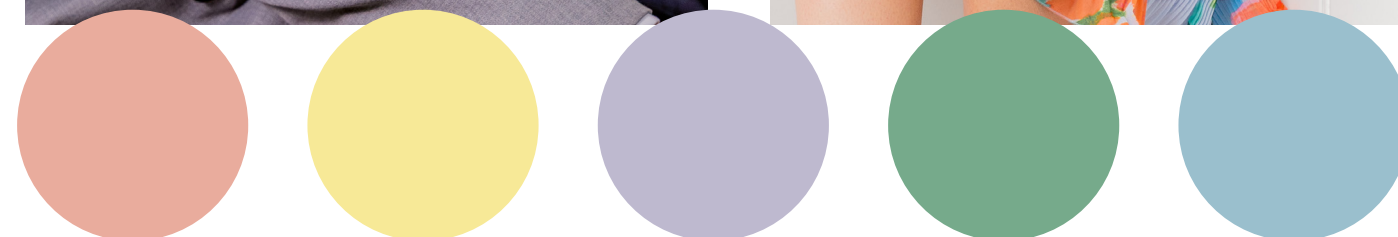

Don't want to miss out on all the exciting action? There's still chance to purchase tickets for the Boodles May Festival and for our 12 other amazing fixtures.

## STYLE EDIT

If you're unsure on what to wear, looking at what the trends are for the summer season is always a good place to start. Cheshire Oak's stylist Beki Gregory gives her take on the key trends.

"I wanted to go bold this season, with fabulous florals and eye popping colours, really making a statement with the looks to tie in with our SS trends, Dopamine, Forever Floral & Summer Suits. Sourcing pieces from a variety of brands such as Reiss, Pinko, Sophia Webster, I was able to combine classic suiting with unique accessories. From catwalk to race day runway, this season never looked so stylish"

## Ladies

Bright and bold is a trend for this summer and this outfit certainly epitomises this trend. Sometimes print can wear a person instead of the person wearing the print, but this dress is definitely not the case. A perfect balance of shapes and colour forms an optical illusion, making the eye follow the print, creating fluidity in the entire design.

This beautiful green is easily paired with different colours to really bring the outfit to life. Adding a colourful piece of jewellery like the Boodles piece in this guide, makes the outfit pop whilst still remaining delicate and feminine.

It would be easy to accessorise with white, but step out of your comfort zone and try gold to finish the look perfectly.
