

# CHESTER RACE COMPANY LTD.

## GOOD TIMES SINCE 1539

Here at Chester Race Company, everything we do is driven by a love of horseracing, hospitality, and unforgettable experiences. We're not just your average organisation – we're a vibrant, every-evolving hub of excitement and one of the North West's most admired brands.

Since Henry VIII was king, we've dabbled in a variety of areas to make our organisation what it is today. We have three racecourses, a catering and events provider, an on-site hotel, a dedicated staffing agency, and even a lively bar in the heart of Chester city centre.

We're bold. We're Creative. And we never stop pushing the boundaries of quality and service. Everything we do is powered by passion and pride – because we truly love what we do.

And it's not just about us. We care deeply about our people, our communities, and our planet. Together, we're making a positive impact, one thrilling moment at a time.
